Mission

To be the preferred supplier of our operational related products and services. As an owner-operated company, our strategic advantages are flexibility and commitment to our partners and customers. Family-like yet professional atmosphere in the team of professionals enables us to provide satisfactory support to everyone we work with.

Vision

Be customers' obvious choice of service supplier for the service of warehouse operations, food stuffs handling, dry bulk cargo bagging services, manpower as well as handling of goods. Be seen as an honest and trustworthy business partner who has a real desire to add value to customers' business and products.

Our values

Integrity

Is the foundation of everything we do. We are admired and respected for our commitment to trust, honesty and transparency. We train our teams to do the right thing even when no one is watching.

We are honest, transparent and committed to doing what is best for our customer and our company, we always put ourselves in the shoes of others. As a company we have no tolerance for dishonesty or hidden agendas.

Loyalty

Our company focuses on serving our clients loyally and protecting our clients' interests when performing our operations. On the other hand, we are a team and that means we show up for each other, act with empathy and bring our authentic selves to work every day. We are growing our company not for own personal gain but for each other.

We are positive, grateful, hospitable, and make each other feel good. We work, laugh and treat our customers as family members.

Flexibility

In our operations, preparation is essential, but flexibility is often needed as well. Work is done in customer's schedule with agility, and changes are always possible if needed. Being a company that needs to grow, Petwind has the ability to workfast and be flexible to customer's needs. We empower our employees in a work environment that is conducive to creating the optimal work/life balance. We are nimble, we live by our entrepreneurial spirit, take risks and learn from them.

Transparency

Transparency is the mother of trust. Transparency breeds trust. We are open, clear, direct, and honest in our works. The trust we build through transparency lifts us all higher than we could rise alone. We pride ourselves on providing complete visibility in the success, and sometimes failures of our business as we grow. It is an integral part of our culture as we collaborate and work towards a common goal.

Our values

Collaboration

Together we are stronger. We deliver more success through shared goals and mutual support. Our Company cultivates authentic relationship with our customers and follow up by actively listening to their needs. We work together as one team showing empathy and respect along the way. We carry the load together by building purposeful relationships grounded in cooperation and shared vision.

Accountability

We hold ourselves accountable for outcomes, good or bad we do not pass the buck. We commit ourselves to continuously improve our performance and push through our comfort barriers. As a company we take ownership for the quality of our individual work but also take pride in what we deliver as a team. Our main focus is on a successful outcome for all. When things don't go as planned we proactively use it as an opportunity to share and learn. We ensure that each of our actions is in the best interest of our team, our company and our customers.

Confidentiality

Petwind takes extra care with the privacy and confidentiality of all parties involved in our daily operations. This allows us to create value for our client while maintaining and preserving our clients' best interests. We respect confidential information entrusted by clients, business partners and employees.

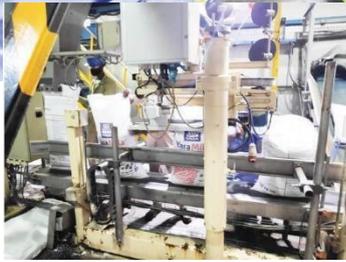

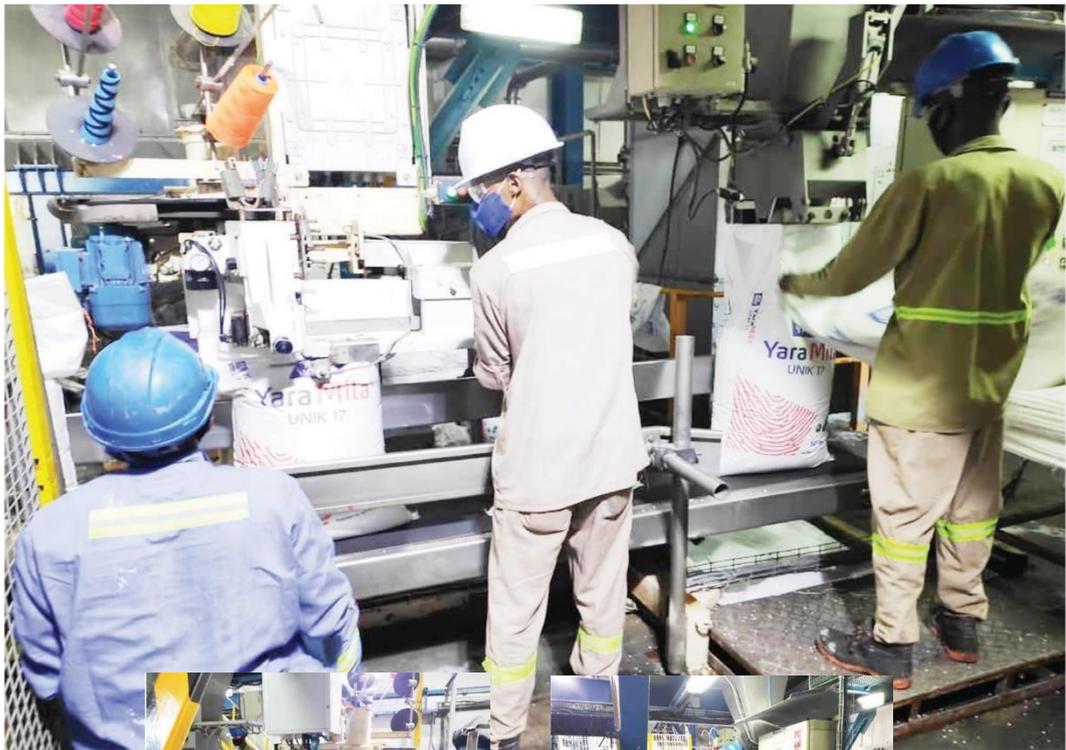

Fertilizer bagging services

-  Fertilizer bagging services.
-  Transport support services.
-  Warehouse operations services.
-  Cargo handling
-  Manpower supply.
-  Transport services

At the point, bagging fertilizer is a very complex product. Petwind Company limited provide qualified plant operators needed for bagging weather by machines or manual banging. Bagging of fertilizers is an extremely sensible process.

The products come in either powder or granulated form which are highly hygroscopic. Therefore the choice of bagging team is essential as it must be designed to follow all the safety standards for this operation. Petwind Company limited have several options for bagging, packing and plant feeding operations.

Transport services

Petwind provides transport Services for both local and Transit cargo. Currently we have 7 local trucks and 3 transit trucks.

Warehouse operation services

We are committed to provide excellent services in warehouses. From the process of storing physical goods before they are sold, warehouse safety, quality control and security, store products in an organized way (Stacking and palletizing) to track where items are located, when they arrived, how long they have been there, and the quantity on hand. Petwind Company limited is also an experienced company in warehouse operations biased of bagged products and dry bulk in terms of quality and inventory control.

All staffs involved in operations are equipped with proper PPE's relevant to the type of cargo/goods. We are very sensitive with hazardous cargo and food stuffs as we have to go thorough of product data sheet to avoid inconvenience to our clients.

Cargo handling

We have a team of trained and experienced people to handle even the most delicate or fragile cargo. The entire range of goods and cargo handling services includes loading, unloading, packing or unpacking of cargo. We also take care of the customer-related legal documentation requirements to make our customer feel tension free.

Our Cargo Handling services are managed by a team of trained staff, who has considerable experience in their respective fields. Since our endeavor is absolute customer satisfaction, we have trained and expert drivers, supervisors and a team of casual laborers for respective operations.

Manpower supply

We provide highly qualified and experienced skilled and unskilled laborers to support with the best top, middle and lower level workforce in a short, medium and long term basis.

We offer cleaning staffs on every site/ warehouse we operate with regular schedule to make sure the site is in neat condition and hygiene is highly considered.

Heavy equipment operators supply

We have high qualified operators for heavy machinery such as forklifts, Wheel loaders, side loaders, cranes and others. These operators are available for short and long term basis.
